REACHING FURTHER TOGETHER

THROUGHOUT OUR ORGANIZATION, WE FOCUS ON WORKING CLOSELY WITH OUR CUSTOMERS TO REACH MORE TOGETHER.

At Rousselot, we collaborate with customers all over the world – creating world class products, manufactured through our state of the art operations with an unshakeable commitment to quality, safety and sustainability.

Together with our customers, we work locally in real partnership on tailor-made solutions in the field of pharma, food and healthy nutrition.

TO HELP YOU ACHIEVE YOUR GOALS, WE OFFER YOU THREE PROMISES YOU CAN COUNT ON.

ROUSSELOT PROMISE 1: WORLDWIDE EXPERTISE

You will benefit from global expertise and the support of dedicated local teams to secure the best solution for you.

We always address and challenge your brief to connect the right gelatin solution to your application.

We provide support and advice throughout the entire production process, from supplying gelatin, throughout manufacturing to the finished product.

ROUSSELOT PROMISE 2: HIGHEST STANDARDS

You can rely on world class products that meet the highest global quality and safety standards, delivered in spec and on time.

Our working system mirrors the integrity and ethic of Rousselot company with the constant objective of ensuring the highest quality and hygiene standards:

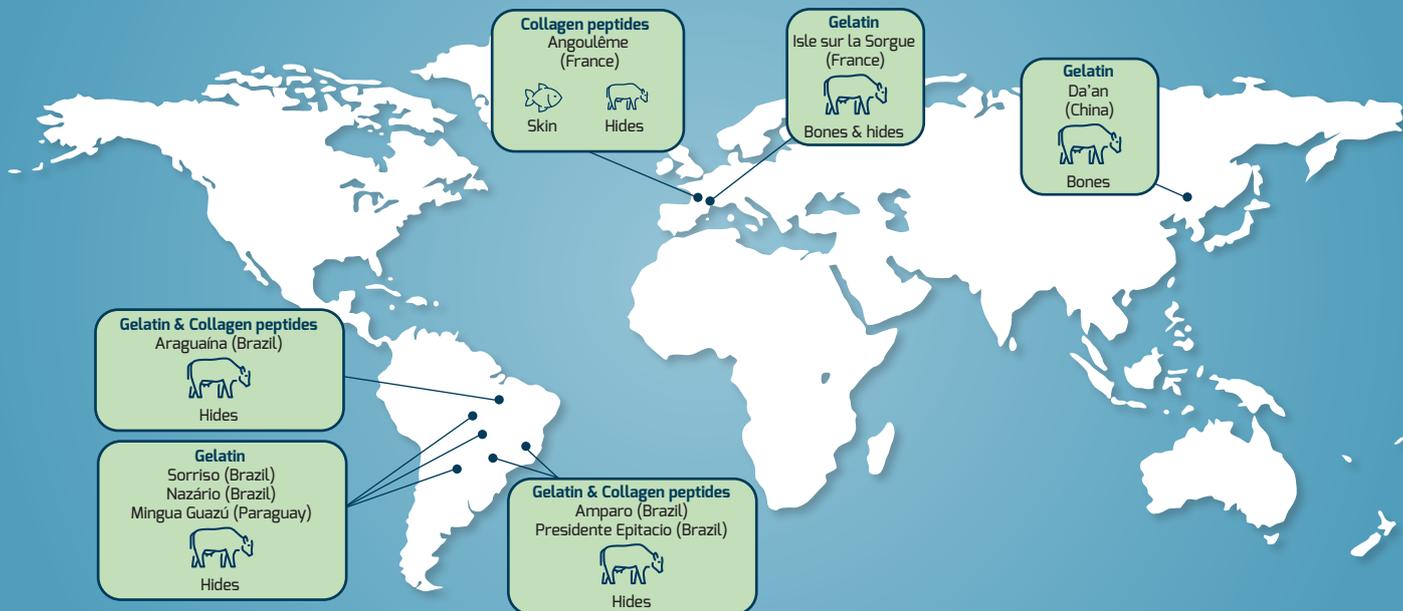

- the respect of national and international regulations, norms or quality standards, including ISO, HACCP, GMP and IFS,
- the strict compliance to strong hygiene and safety programs,
- the training of our personnel and the use of continuous improvement methods,
- the numerous controls along the supply chain.

These are significant examples of our proactive behavior to anticipate and fulfill customers and consumers needs with quality Halal certified gelatins and collagen peptides and first class services.

ROUSSELOT PROMISE 3: SOCIAL RESPONSIBILITY

You can be certain we take full responsibility for our actions.

We hold ourselves to the highest standards, whether it be in terms of our commitment to respect the environment, or through the integrity and transparency we show you. We proactively take steps to achieve ever greater progress in our environmental and ethical business goals. For example, we have implemented sustainable production methods to protect our planet and reduce primary energy and water consumption.

ROUSSELOT HALAL CERTIFIED PLANTS IN THE WORLD

Rousselot | Gelnex
by Darling Ingredients

Since April 1st, 2023, Rousselot and Gelnex have joined forces, combining their capacities to meet the expanding demands of their gelatin and collagen customers. With a global presence across 16 plants, Rousselot and Gelnex now together offer large product availability on a global scale. Their extensive portfolio includes gelatin and collagen peptides under the Rousselot, Gelnex, Peptan®, ProTake® and Peptinex brands.

Our integrated teams are well-equipped to address customer inquiries across the globe, and respond to their specific +needs.

Nine Rousselot-Gelnex plants produce Halal certified gelatins. In each plant, a regional Halal quality control has been set up with support of a local expert. This guarantees to consumers the quality and integrity of Rousselot Halal certified gelatins.
